

Bids will be considered on the following schedule. The quantities listed in the schedule are being given as a basis for the comparison of bids. CRP does not, expressly or by implication, propose or agree that the actual quantities of work will correspond therewith, but reserves the right to increase or decrease the amount of any portion of the work shown by the Bid Schedule, or to omit portions of said work. Payment for unit price items will be made on the basis of quantities actually installed. The unit price amounts shown below include all labor, material, permits, incidentals and other costs required to provide the work specified.

Please complete the Bid Schedule on these forms. **Please feel free to add information that you believe will be helpful to the Proposer.**
